Prayer Evening

7.30pm Thursday 22 January

Our first Prayer Evening of the year is in a few weeks time on the 22 January. Come and join us as we journey together with God in Prayer for our church, the community and the wider world.

Repair Café: 31/01, 10.30am – 2.30pm

We will be hosting a team from Brent Council Climate Action to provide rudimentary repairs to anything from a toaster to a television and a few things in-between. Details of the professional repairs available will follow soon. If you are free to help with hospitality or welcome on that day please let us know.

Men's Breakfast from 9.30am @The Beaten Docket

Also on that day, the men of the church are invited to breakfast together at the Beaten Docket. Why not start with breakfast there and then pop in to the repair café afterwards?

23rd – 26th July 2026 at Wiston Estate, West Sussex – Potential Bursaries available

St Gabriel's is now listed as one of the churches you can camp with at Wildfires. We want to encourage as many people as possible to attend this conference which was so fun last year. As a church, in recent years, we have not been able to do our own weekend away, but we think that this would give us the chance to camp together as a group and also experience something of God's goodness together. They are also now promoting a whole new programme for youth, which will also be excellent. You can view a video about it by scanning the QR code on the left below, and you can get booking info via the one on the right. Please do let us know if you sign up, and remember to select St Gabriel's as your church when you do. If finance is a consideration, please also let us know, as we may be able to support a number of sponsored places should that be the main restriction for you.
