Prayer Points

Join us as we pray:

- Thank God for our church building, and everyone who helps to look after it. Pray for God's protection over the building and grounds, and all who come into them
- Pray as we recruit a new Church Administrator, for lots of strong applications and for the interviews taking place next Thursday (12th)
- Thank God for the plans Jake has been developing for our youth ministry, and pray for God to guide and establish these as we look for ways to welcome and disciple more young people
- Pray for everyone struggling with the cost of living, especially each of our CAP clients
- Pray for those who are homeless or sleeping rough in our local area
- Pray for the US, Israel and South Africa following recent elections, that the results will be respected and for those elected to lead wisely and responsibly

Security and Car Parking

We wanted to let everyone know that we do take peoples security and welfare really seriously at St Gabriel's and we are reviewing our processes and procedures particularly at times directly before and after services. As such you might see myself or one of the staff team, at the exit door at the end of services for a short while until we have worked out an alternative. We would also like to remind everyone that travels by car to please only park in the church grounds if you have special access needs, or are dropping off someone that requires special access. Thanks for your help with this.

Our Church Hall is available to hire for any occasion and there is a special rate for church members. If interested, please email for more information:
